

SECURING YOUR APPRENTICESHIP

APPRENTICESHIPS

Apprenticeships are the perfect way to enter the world of work, whilst gaining a qualification and earning money.

What are apprenticeships?

Apprenticeships have become increasingly popular in the last few years with learners of all ages. Apprenticeships give you the best of both worlds – you gain a qualification and get a head start on your chosen career. You'll become an employee and continue your studies, providing you with the ultimate combination of learning, earning and experience.

Apprenticeships are available to anyone aged 16 and over and are offered at different levels across a range of sectors including:

Automotive

Business and Customer Service

Construction Trades

Digital Technologies

Engineering and Welding

Hairdressing

Hospitality

Science

What do they involve?

Each apprenticeship involves a structured programme of training. Whilst in work you'll work as an employee alongside experienced staff members. Off the job you'll learn with Newcastle College through a combination of learning methods that may include a day in college, online assessments or assessments within your workplace.

To secure an apprenticeship you will also have to secure a job within an organisation. The specialist Apprenticeship Team at Newcastle College will work with you to find and secure your apprenticeship role.

How to get your apprenticeship

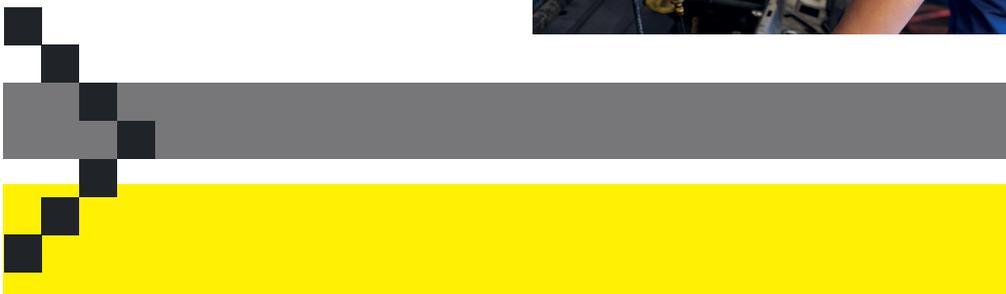

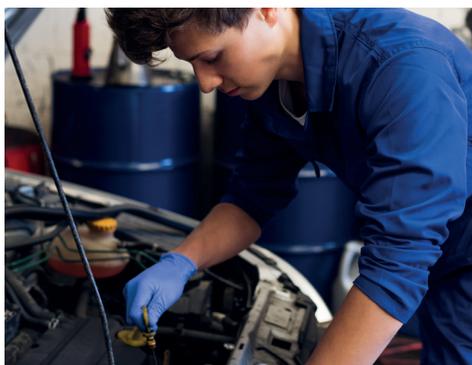

To apply for an apprenticeship with Newcastle College, you would need to have the following:

- CV
- Proof of the required qualification
- GCSE Grade 3-/D in English and maths (Level 2 Apprenticeships)
- GCSE Grade 4-/C in English and maths (Level 3 Apprenticeships)

You would also need to complete an initial assessment. We ask for your CV and proof of grades before sitting the assessment, which takes around 15 minutes to complete over the phone.

You can apply for an apprenticeship through the National Apprenticeship services website, which includes all apprenticeship vacancies throughout England.

Our team of experienced Learner Engagement Consultants will support you in securing your apprenticeship. All apprenticeship standards are available to view on the Institute of Apprenticeships website.

WHAT NEXT?

Submit your CV and proof of qualifications.

Initial assessment.

We'll make sure your CV is right.

We'll match you to the right vacancy and employer.

We will provide you with interview preparation top tips.

Secure your apprenticeship.
